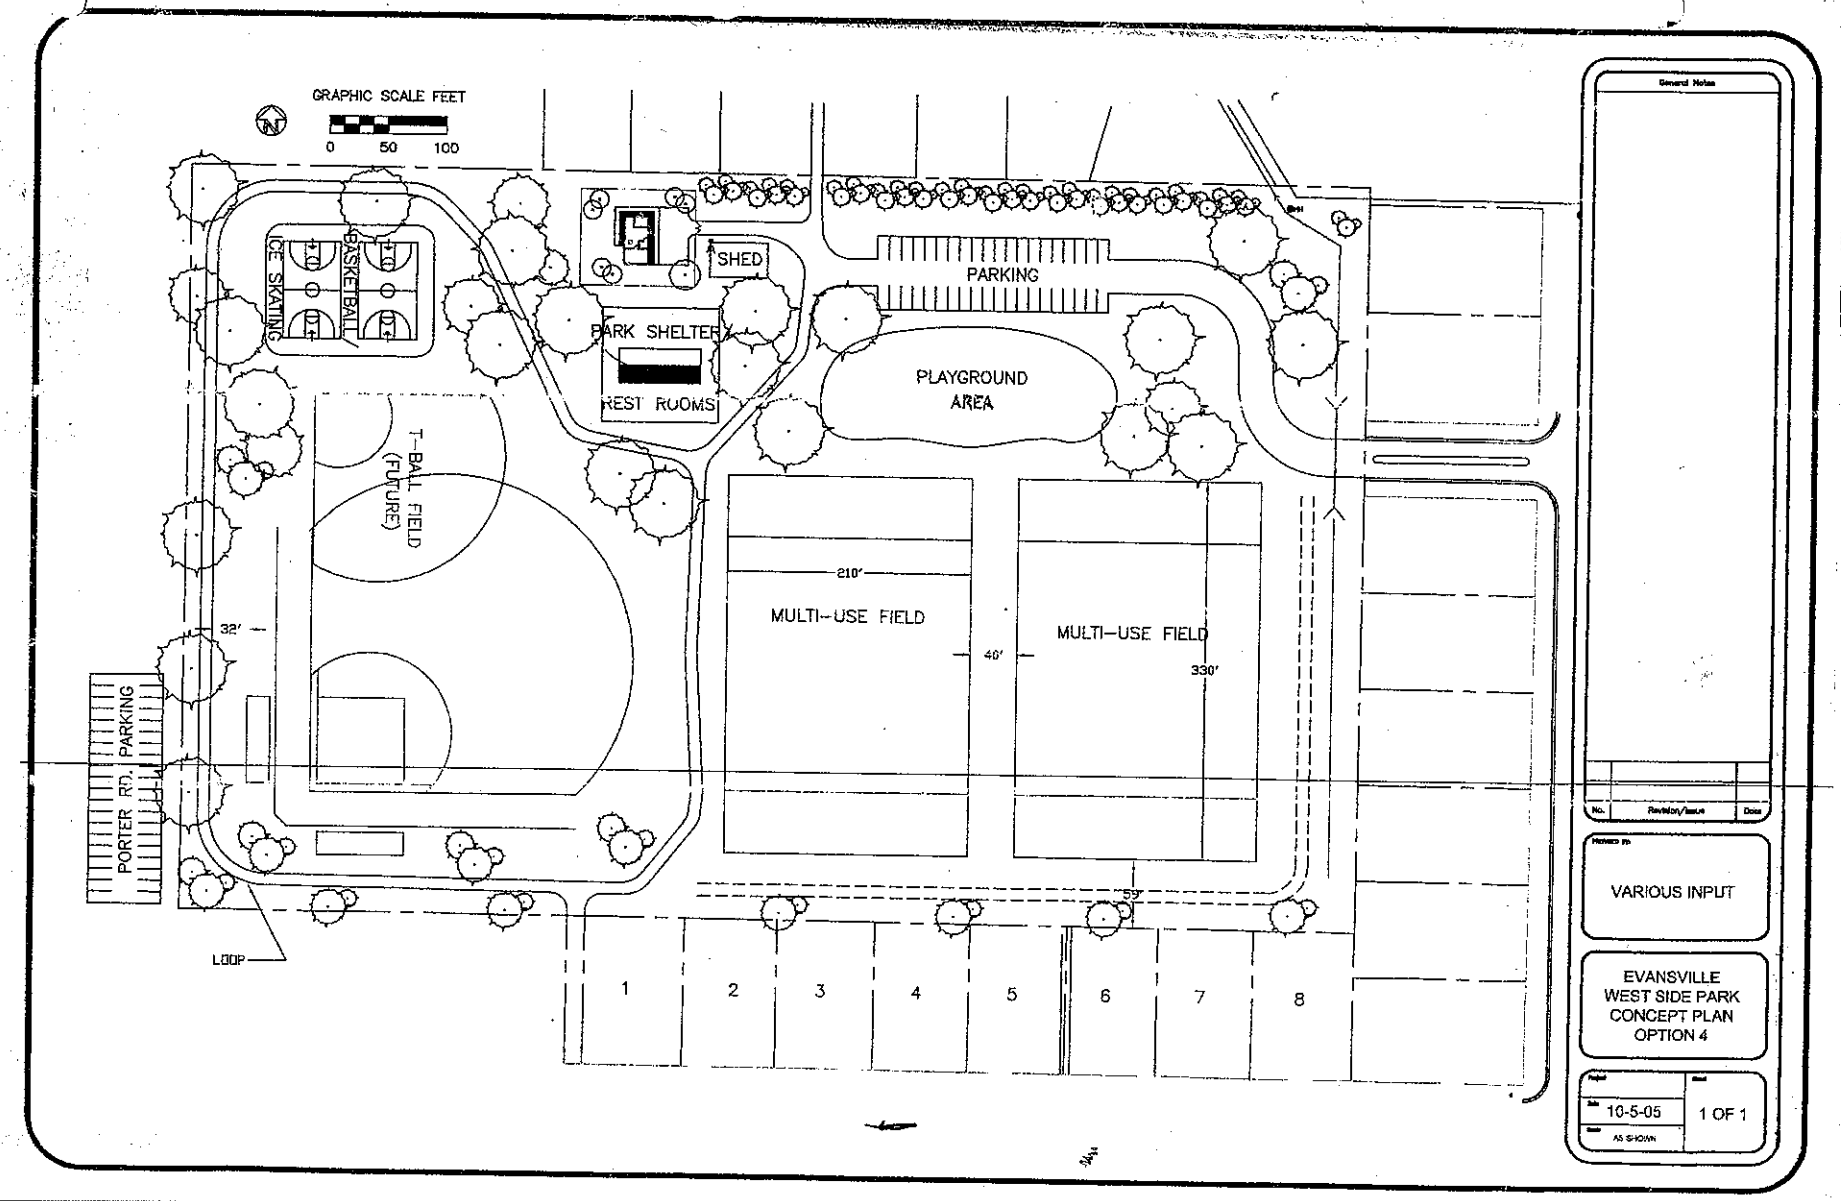
West Side Park Concept Plan

City of Evansville
Rock County, Wisconsin

The two "multi-use" soccer fields were graded and seeded in 2006.

A paved boulevard leading to a gravel road currently runs from Sixth Street on the right side of the map to the city's well-house #3 located on the north side of the park between the shed and the basketball courts.


Porter Road lies to the south of the eight numbered lots at the bottom of the map
