The Evansville Police Department is scheduled for an on-site assessment as part of a program to achieve accreditation by verifying it meets professional standards.

Administered by the Wisconsin Law Enforcement Accreditation Group (WILEAG), the accreditation program requires agencies to comply with state-of-the-art standards in four basic areas: policy and procedures, administration, operations, and support services.

As part of the on-site assessment, agency employees and members of the community are invited to offer comments at a public information session Wednesday November 20th at 5:00 PM. The session will be conducted in the Council Chambers, 3rd floor city hall, located at 31 S. Madison St. Evansville.

Agency employees and the public are also invited to offer comments by calling 608-882-2299 on Wednesday November 20th between the hours of 1:00 PM and 3:00 PM. Comments will be taken by the WILEAG Assessment Team assigned to conduct this assessment.

Telephone comments as well as appearances at the public information session are limited to 10 minutes and must address the agency's ability to comply with WILEAG's standards. A copy of the standards is available at the Evansville Police Department located at 10 West Church St. The local contact is Chief Scott McElroy who can be reached at 608-882-2299.
