August 19, 2013

Dear US 14 area resident or official,

You are cordially invited to a public information meeting for the US 14 resurfacing project, scheduled as follows:

Date: Tuesday, September 3, 2013
Time: 5 to 7 p.m.
Location: Large Conference Room
Basics Cooperative Natural Foods
1711 Lodge Drive
Janesville, WI 53545

This meeting will follow an informal open house format. Exhibits and handouts will be on display for your review and comment. The Wisconsin Department of Transportation (WisDOT) will be available to explain the proposed project, answer questions, and receive public input on the project.

WisDOT is proposing to resurface US 14, between County Highway M and US 51, from Evansville to Janesville. The pavement warrants a new riding surface to extend it's useful life. The current 30% design will be on display.

The Basics Cooperative is wheelchair accessible. If you are hearing impaired and require an interpreter, you may request one via the Wisconsin Telecommunication Relay System (dial 711). If you have any questions or concerns that may assist in the development of this project, we encourage you to attend the meeting. If you are unable to attend the meeting, or would like more information regarding the project, please contact one of the project staff members listed below:

Michael Rampetsreiter, Project Manager, WisDOT SW Region, 2101 Wright Street, 124Q Madison, WI 53704, (608) 246-7917, Michael.Rampetsreiter@dot.wi.gov

William Strobel, Project Supervisor, WisDOT SW Region, 2101 Wright Street, 124Q Madison, WI 53704, (608) 246-8009, William1.Strobel@dot.wi.gov
