

Notice of Public Hearing
City of Evansville - Facilities Plan for Wastewater Treatment Plant Modifications

The City of Evansville Public Works Committee will conduct a public hearing on Monday, December 22, 2008 to discuss the Facilities Plan for Wastewater Treatment Plant Modifications proposed to be completed by the City. The Facilities Plan has been prepared by the city engineer and is currently under review/approval by the Wisconsin Department of Natural Resources. The Facilities Plan proposes modifications to the existing treatment plant to meet new requirements and increase treatment capacity for future growth. A short presentation will be given at the public hearing explaining the proposed modifications, costs and schedules. The public is encouraged to attend this public hearing.

The public hearing will be held at 5:30 p.m. local time at the public works building, 525 S. Madison Street.
