

SECTION 00 11 13

ADVERTISEMENT FOR BIDS

Sealed bids for City of Evansville, Allen Creek Retaining Wall Repairs, Contract "09EV-2", will be received by the City of Evansville until May 13, 2009 at 3:00 pm local time, at the City of Evansville City Hall, 31 South Madison Street, Evansville, Wisconsin 53536, and shall include the following schedule and approximate quantities:

- ◆ The existing stone retaining walls lining the Allen Creek banks, downstream from the Lake Leota Dam, are to be repaired to original condition. The existing stone retaining walls are located within Leonard Leota Park, and extend to the existing Madison Street bridge. The existing walls shall be carefully dismantled to structurally sound existing stone and then re-built with a combination of new and existing limestone. Structural improvements such as ties shall be included. Secretary of the Interior "Rehabilitation Standards" for Treatment of Historic Properties shall be followed.
- ◆ Total length of the creek wall to be repaired in up to three separate locations is 121 linear feet as identified in the contract documents.

Bids will be publicly opened and read aloud at 3:00 pm local time on May 13, 2009.

The Bidding Documents, consisting of Advertisement for Bids, Instructions to Bidders, Bid Form, Bid Bond, Notice of Award, Agreement Between Owner and Contractor, Notice to Proceed, Performance Bond, Payment Bond, Contractor's Application for Payment, Certificate of Substantial Completion, General Conditions of the Contract, Supplementary Conditions, Work Change Directives, Change Order and Field Order Directives, Drawings and Specifications, may be examined at the following location(s):

Foth Infrastructure & Environment, LLC 1402 Pankratz Street, Suite 300 Madison, WI 53704	City of Evansville 31 South Madison Street Evansville, WI 53536
F.W. Dodge 8112 W. Bluemound Road Milwaukee, WI 53213	Bid + Network 4814 East Broadway Madison, WI 53716
Builders Exchange of Milwaukee 10400 Innovation Drive, Suite 210 Milwaukee, WI 53226	Northern Illinois Building Contractors 1111 S. Alpine Road Rockford, IL 61108
Reed Construction Data www.reedplans.com	

The Contract shall be subject to Section 66.0903 of the Wisconsin Statutes pertaining to municipal wage scales.

Each proposal shall be accompanied by a Bid bond or certified check equivalent to 5% of the maximum proposal.

Prequalification of Bidders will not be required. However, qualifications for completing the proposed work scope shall be submitted in accordance with the Specifications. Quality Assurance requires experience with full-depth, dry-laid structural stone wall laying.

The Owner reserves the right to reject any or all Bids, waive or not waive any informalities in the Bids received and to accept any proposal which is deemed most favorable to the interests of the Owner.

No Bidder may withdraw his Bid within 60 days after the actual date of the opening thereof.

Copies of the Bidding Documents may be obtained at the office of Foth Infrastructure & Environment, LLC located at 1402 Pankratz Street, Suite 300, Madison, WI 53704, telephone (608) 242-5900, upon a **non-refundable** document payment of **\$30.00** in the form of a check. Cash will not be accepted.

Project documents are anticipated to be available by April 24, 2009.

April 2009

Dan Wietecha, City Administrator
