

CITY OF EVANSVILLE

VOTER REGISTRATION INFORMATION

Voters are encouraged to register now in the City Clerk's Office, 31 S Madison Street, Evansville, for the November 4, General Election.

To ensure proper registration, please refer to the dates below:

On or Before October 15

Voters may register in the clerk's office, by voter registration drive or through the mail.

After October 15 and Before Election Day

Voters may register in the clerk's office only – you must provide proof of residence.

November 4 - Election Day

Voters may register at the polling place only – you must provide proof of residence.

When registering, new voters must provide their Wisconsin driver's license number or Wisconsin ID number, and write their name exactly as it appears on the license. If you have neither one, you may use the last four digits of your Social Security number.

In order to maintain only one voter record per active voter, the State Elections Division has recently mailed a letter to registered voters who do not have a current date of birth in the Statewide Voter Registration System. Voters who receive this letter are encouraged not to delay in responding with their correct date of birth in order to update their voter record. The voter's date of birth is, by Wisconsin law, confidential.

In addition, registered voters who wish to vote by absentee in the general election should know that the last day to submit a written request to the clerk for an absentee ballot by mail is 5:00 p.m. on Thursday, October 30.

Voters with questions about voter registration or absentee voting should contact the City Clerk's Office at 608 882-2266, visit the City of Evansville's website at www.ci.evansville.wi.gov, or see the State Elections Division website at <http://elections.wi.gov>.
