The Evansville Youth Center (EYC) provides a safe environment for the children of Evansville after every school day until 5:30 p.m.

The youth center wants young people to value and respect themselves and others, feel empowered to make safe and healthy decisions, connect with the community, have fun, develop mature attitudes, and reinforce positive habits and lifestyles.

It is a drop-in center for students grades 5-8 with many activities, homework help, BASE programming curriculum, community service projects like a community garden, bowling, crafting, sports, and much more every month at no cost to the family.

The Evansville Youth Center is a non-profit organization and would like to THANK all local businesses and individuals for their continued support. It keeps the doors open, provides programming/activities, and supplies daily snacks.

We count on donations (food, craft supplies, money, and other items) throughout the year for the students. Our main fundraising programs are:

- ◆ Quacking
- ◆ Evansville Business Donations
- ◆ Ducky Derby and 4th of July

We greatly appreciate all of the support to keep the center active and vital to students in our community.

MISSION STATEMENT:

We strive to help the youth of Evansville set higher standards and personal goals for themselves as well as offer the support they need to be successful.
