

Welcome to Gibbs Lake County Park. This park is located approximately 12 miles northwest from the center of Janesville. Take USH 14 west from Janesville for approximately 7 miles; turn right (north) on Eagle Road. Travel three miles north to Gibbs Lake Road. Turn left (west) and travel $\frac{1}{2}$ mile to the park entrance.

Gibbs Lake County Park is 299 acres in size, enclosing $\frac{3}{4}$ of the shoreline of Gibbs Lake and the north half of the shoreline of Little Gibbs Lake.

Gibbs Lake Park features a hiking and cross-country ski trail, bridle path, boat landing and launching area, and a parking lot. In an effort to keep the park neat and clean, litter barrels are provided. Drinking water, toilets, picnic tables, and grills are also provided. All trails are defined with red/white signs on marker posts.

This cross-country ski trail has been designed for the novice and intermediate skier, but also provides an excellent opportunity for the advanced skier to sharpen and refine skills and build stamina.

The trail has been set up to be skied in a counterclockwise fashion. For safety and courtesy, please use the trail in this manner.

All trails are open to the public every day from dawn to dusk. All County Parks are closed from 10:00 p.m. to 5:00 a.m.

The cross-country and hiking trail is 2.6 miles (4.18 km) in length. However, by utilizing the short-cut, the beginner can ski only 1.7 miles (2.65 km). By using the "high leg" and re-skiing the entire trail, using the "low leg," the entire distance is 5.3 miles (8.55 km).

The bridle path is 3.8 miles in length. Parking for horse trailers is permitted in the parking lot. Riders are reminded to clean up after their animals in the parking area. No horses are permitted in the lake. This trail provides an easy ride.

Each day of the year offers many changes in the natural beauty and wildlife found at Gibbs Lake County Park. We hope you enjoy your trail tours and return often.
