

EFFECTIVE JULY 1, 2020

CITY HALL IS OPEN TO THE PUBLIC.

8AM -11:30AM AND 1:00PM – 4:30PM

TO PROTECT THE HEALTH OF THE PUBLIC AND STAFF DUE TO LIMITED SPACE FOR SOCIAL DISTANCING WE ARE LIMITING OUR FRONT COUNTER SERVICES TO THE MOST BASIC OF NEEDS.

WE ARE ASKING THE FOLLOWING:

- Limit in person visits for utility payments, account set ups and questions which cannot be completed by phone, email, online payment or post. If you have been sent paperwork in advance please complete first, then arrive to reduce the amount of time at our one window.
- City staff are currently working on how to proceed with absentee voting starting July 21.
- Arrange building permits, inspections and other services for onsite visits if possible or by appointment in advance.

All visitors will be required to wear a face mask; follow social distancing of 6 feet or greater; and hand sanitizer stations are available on each level.
