Thursday, May 21, 2020

On Tuesday, May 19th, 2020 the Park and Recreation Board for the City of Evansville advised staff to develop an alternative to the City's youth baseball program, effectively canceling the regular program for 2020. Staff suggested a baseball clinic program that could be controlled with fewer children on the field at one time and follow best practices in social distancing.

More information will be forthcoming on this alternative program. In the immediate, all applications and money sent for baseball registration will be returned. If your address or contact information has changed please contact City Hall at 608-882-2266 or email leah.hurtley@ci.evansville.wi.gov.

As always, thank you for your patience and understanding as we navigate through this new territory.
