

APPLICATION FOR CHICKEN KEEPING PERMIT

CITY OF EVANSVILLE
31 S. Madison St, Evansville, WI 53536

\$20.00
Application
Fee

This is a request for issuance of a Chicken Keeping Permit in accordance with *Section 130-541 Chicken Keeping* of the Evansville Municipal Code. Entire form must be completed before request can be reviewed. **Please contact the Building Inspector, Larry Schalk, at: (608)-490-3100 or larry.schalk@ci.evansville.wi.gov to obtain assistance in completing this form.**

SECTION	CHICKEN KEEPING LOCATION AND CONTACT	
1	Is this a renewal application? Yes / No	WI Livestock Number:
	Applicant name:	Parcel Number: 6-27-_____
		Parcel Tax ID Number: 222-_____
	Applicant Address:	Phone:
		Email:
		Landlord name and contact (If applicable):

INSTRUCTIONS: Complete this entire form and submit to City Hall the following:

- Application Form with attachments:**
 - o Site Plan (showing parcel boundaries, structures and coop location with dimensions)
 - o Elevations or specifications of proposed coop and run (with dimensions)
- State of Wisconsin Livestock Number indicated in Section 1** from a completed Wisconsin Department of Agriculture, Trade and Consumer Protection "Livestock Premises Registration Application." (Information at <http://www.wiid.org/livestock-premises-registration>.)
- \$20 Initial Application Fee**

I understand my application must follow Section 130-541, including the regulations outlined below:

- No more than 6 female chickens (no roosters) on a lot zoned R1 containing a single family dwelling. The chickens shall be contained in a coop and run in backyard only.
- Not permitted on residential lots containing 2 or more dwelling units, in garages or dwellings. Also not permitted in front, side and street side yards or setback areas.
- Coop and run shall be a minimum of 10 feet from any residential structure
- A minimum of 4 square feet of coop space and 6 square feet of run space per chicken. Coop and Run cannot exceed 150 sq. ft. in area or 10 feet in height
- Permit Approval required before any work begins. On-site inspection required before chickens occupy coop and run. Electrical work requires an electrical permit and fee.
- Application for a chicken keeping permit must be submitted yearly for renewal. Permit shall be denied if applicant is in violation of Section 130-541 or Chapter 14 in previous 6 months.
