

City of Evansville's 2022 Refuse and Recycling Calendar

The City of Evansville contracts curbside collection service with Badgerland Disposal. Badgerland Disposal will provide recycling and refuse collection for all residents on Thursdays. Under the curbside collection program each resident has received poly-carts for recyclables (biweekly service) and for trash (weekly service).

Bulk pick-up policy: You are allowed **ONE** bulk item per month on your designated day. Appliances, electronics, brush, yard waste, hazardous goods or tires NOT INCLUDED. Freon and non-freon appliances can be collected through scheduled call. To schedule or for any additional questions please call 608-580-0580 or email townservice@badgerlanddisposal.com for a fee.

The City of Evansville provides two options to dispose of personal yard waste. They include, Yard Waste Curbside Collection and the Yard Waste Drop Site.

Curbside Collection Services

Collection of branches, brush and yard waste debris is scheduled from April to October, on the first (1st) full workweek of the month. All grass clipping and small yard waste must be placed in a paper bag or a container that can be emptied and placed back onto the parking area. No plastic bags. Yard waste should not be raked or blown into the street. Please be kind and blow your lawn clippings into your yard for natural decomposing. When the lawn clippings clump together they create major clogs in the stormwater drainage system, which can contribute to flash flooding and standing water in the streets.

Yard Waste Drop Site / E-Recycling Dumpster: 465 Water Street (next to the Fire Station)

Open April-November on Wednesdays 5:00pm -7:00pm and Saturdays 9:00am - 2:30pm

At this site you can dispose of grass clippings, leaves, branches and general yard waste. We do not accept: dimensional lumber, plastics, hanging baskets, dirt and regular garbage.

E-Waste Guidelines

A list of the most common electronic devices in the rule is as follows:

- Consumer computers, Computer peripherals (i.e. keyboards, mouse, etc...), Televisions and other video display devices, Fax machines, VCRs and DVD players, Consumer printers, Phones with video displays (i.e. cell phones).

**Please refer to Wisconsin State Statute 287.07(5)(a) for the complete list of electronic devices that are regulated under this law.*

New Refuse and Recycling Collection Service

To set up an account for garbage collection, water, sewer and/or electrical service please contact City Hall at 608-882-2266, option 1. The staff at City Hall will set up your billing for garbage collection, but the City does not operate the garbage and recycling collection service.
